Representatives Raulston and Roy-  
son passed the "lie" in the Tenne-  
see House of Representatives and  
have to be held apart.

Gov. Morehead, of Nebraska, look-  
ed at the flood reports and said  
"This is my conception of Hell."  
Just the opposite, Governor. There  
be no water there.

Secretary Redfield is said to be  
very much attached to his crop of  
"Burnside" whiskers, that keep the  
Cabinet from posing as a clean-shav-

upon the suggestion that his face  
be mowed.

## Dread of an Operation.

N. Manchester, Ind.—Mrs. Eva  
Bashore, of this place, says: "I suf-  
fered female misery of every de-  
scription. Two doctors attended me,  
and advised an operation. I lost  
weight until I weighed only ninety  
pounds. I dreaded an operation,  
and, instead, began to take Cardui.  
In a short time, I gained 25 pounds,  
and feel as well as I ever did. Car-  
dium is today used in thousands of  
homes, where it relieves pain and  
brings back strength and ambition.  
It is a woman's medicine, for wo-  
man's ailments, and you are urged  
to try it for your troubles. Ask  
your druggists. He will tell you  
about Cardui.

## Resolutions.

Whereas, the angel of death has  
again sounded an alarm at the outer  
door of James Moore Lodge F. & A.  
M. No. 230 and called from labor to  
refreshment our beloved brother J.  
Burch Walker. Brother Walker was  
born at Paducah, Ky., on Feb. the  
12th 1857, and died March 13th 1913,  
and at the time of his death was 56  
years 1 month and 1 day old. He  
was initiated into masonry on the  
25th day of July 1885, and raised to  
the sublime degree of a Master Ma-  
son by James Moore Lodge on the  
21st of Nov., 1885. Brother Walker  
filled with credit various offices of  
his lodge and was a Past Master.  
Brother Walker loved his lodge and  
as a man, was devoted to his friends,  
and at all times was ready to lend a  
helping hand to the needy and af-  
flicted.

Therefore he it resolved: That in  
the death of Brother Walker this  
lodge has lost a good and useful  
member, the community a good pro-  
gressive citizen, his family a loving  
husband and father.

Resolved: That this lodge extend  
to his widow, his children and his  
sisters our heartfelt sympathy in  
this their hour of bereavement.

Resolved: That a copy of these  
resolutions be spread on the record  
book of the lodge, a copy furnished  
the family of the deceased and a  
copy to the papers of Hopkinsville  
for publication.

Resolved: That we wear the usual  
masonic badge of mourning one luna  
month, as a mark of respect for our  
deceased Brother.

R. C. CRENSHAW,  
Committee  
J. T. SHELTON,  
W. B. BLANE.

## Coughs and Consumption.

Coughs and colds, when neglected,  
always lead to serious trouble of the  
lungs. The wisest thing to do when  
you have a cold that troubles you is  
to get a bottle of Dr. King's New  
Discovery. You will get relief from  
the first dose, and finally the cough  
will disappear. O. H. Brown, of  
Muscadine, Ala., writes: "My wife  
was down in bed with an obstinate  
cough, and I honestly believe had it  
not been for Dr. King's New Dis-  
covery, she would not be living to-  
day." Known for forty-three years  
as the best remedy for coughs and  
colds. Price 50c and \$1.00. Re-  
commended by All Druggists.

## STEADFAST CONFIDENCE

The Following Statement Should  
Form Conclusive Proof of  
Merit to Every Hopkins-  
ville Reader.

Could stronger proof of the merit  
of any remedy be desired than the  
statements of grateful endorsers who  
say their confidence has been undi-  
minished by lapse of time? These  
are the kind of statements that are  
appearing constantly in your local  
papers for Doan's Kidney Pills. They  
are twice-told and confirmed with  
new enthusiasm. Can any reader  
doubt the following? It's from a  
resident of this locality.

Perry McCulley, Earlington, Ky.,  
says: "You are at liberty to contin-  
ue using my endorsement of Doan's  
Kidney Pills as heretofore. When-  
ever I have had occasion to use them  
I have been benefited. I feel that  
I am doing nothing more than my  
publicly recommending this prepara-  
tion. Doan's Kidney Pills restored  
my kidneys to their normal condition,  
regulated the kidney action and re-  
moved the pains in my back, in fact  
improved my health. I obtained  
this remedy and have certainly been  
pleased with the results of its use."

For sale by all dealers. Price 50  
cents. Foster Milburn Co., Buffalo,  
New York, sole agents for the Unit-  
ed States.

Remember the name—Doan's—and

## ONLY ONE DEATH

Occurred in City During Month  
of March.

The health of the people of Hop-  
kinsville during the month of March,  
up to Thursday morning the 27th,  
was unusually good.

During that time there was but  
one death, Otto J. Brackroge, in  
the city.

There were 8 burials in Riverside  
during the month, namely:

Richard Boyd, Dr. R. W. Ware,  
Vera Lee Alexander, Miss Vivian  
Jones, and F. M. Quarles died in the  
county. J. B. Walker died in Nash-  
ville, and Thomas Richards died in  
Memphis.

## Pains In the Stomach.

If you continually complain of  
pains in the stomach, your liver or  
your kidneys are out of order. Neg-  
lect may lead to dropsy, kidney  
trouble, diabetes or Bright's disease.  
Thousands recommend Electric Bit-  
ters as the very best stomach and  
kidney medicine made. H. T. Alston,  
of Raleigh, N. C., who suffered with  
pain in the stomach and back, writes:  
"My kidneys were deranged and my  
liver did not work right. I suffered  
much, but Electric Bitters was re-  
commended and I improved from the  
first dose. I now feel like a new  
man." It will improve you, too.  
Only 50c and \$1.00. Recommended

The children were bitten by a mad  
cat. Mrs. Martha Spradlin, of Pres-  
tonburg, Ky., arrived also to take  
treatment. She was bitten by a  
dog.

## Horse Commits Suicide.

Meeting with an accident in which  
its back was broken, a \$250 horse  
owned by Andrew J. Travis, a liv-  
eyman, committed suicide. The horse  
walked from its stall and fell into a  
twelve-foot pit. Evidently in agony  
from the fractured spine, the animal  
beat its head against the cement side  
of the pit until it was dead.—Wil-  
mington (Del.) Dispatch.

## AMUSEMENTS.

John W. Vogel's Big City Min-  
strels travel in swell private cars,  
and when they appear here Thurs-  
day night, April 3, they will appear  
in rolling palaces that cost a fortune,  
and afford comfort and luxury. The  
minstrels of today do not fly-by-  
night to escape the tavern-keeper;  
neither do they tour overland by  
horse-power, as did the "old timers"  
for many a year, as has since been  
revived by references in many tales  
of fiction and allusion in the rural  
dramas of the stage. And with all  
the fame of the cross-road pioneers,  
they were lucky to take in as much  
money in a week as Vogel gathers in  
a day. Indeed this is an age of huge  
affairs.

## A Four-Legged Chicken.

Miss Grace Edwards of Martin,  
Tenn., writes to the St. Louis Post-  
Dispatch, of a curious experiment  
in hatching a double-yolked egg, at  
least the very large egg placed un-  
der the hen was thought to be one  
of that sort.

The chick produced has one head  
and neck and one set of wings, but  
back of the wing point it is a double  
chicken, having four legs and two  
tails. The chicken is lively, eats  
well and does not seem to realize  
that it is any way different from  
other chickens of the brood.

Many ills come from impure blood.  
Can't have pure blood with faulty  
digestion, lazy liver and sluggish  
bowels. Burdock Blood Bitters is  
recommended for strengthening  
stomach, bowels and liver and puri-  
fying the blood.
